## Room 40 & MI1(b), Personnel List, 1914-19.

This does not pretend to a complete list due to the partial nature of the sources. Where more than one address is recorded in a file only one is given here; it is likely that many of the central London addresses are temporary wartime accommodation. Spellings vary from document to document and may often be illegible in handwritten documents. Salary information added where known.

\* indicates MI1(b) staff

\*\* indicates 'Officers of MI1(e) in Room 40 OB'
